And Jesus said to them,  
"I am the bread of life,  
he who comes to me  
will never hunger, and  
he who believes in me

## A New Bus!

In May of this year we announced the launch of a campaign to raise funds to replace the aging Street Connection bus. We are thrilled to report that the fundraising campaign has been a success. As a result, on September 22nd we took ownership of a brand new 2007

International School Bus from Leeds Transit in Elgin, Ontario. The bus is here now and the early stage of renovations has begun. The new bus (seen in the photo) will undergo a major transformation in the coming months. You can visit our web site at [www.street.ns.ca](http://www.street.ns.ca) for updates on the renovation progress. We hope to have the new Street Connection in operation sometime early in the new year. In the meantime, the old bus is still in service helping people in need.

## A New 2006 GMC Van!

We would like to thank the following Halifax Auto Dealers who have generously provided a 2006 van for us to use over the next four years:

- Colonial Honda
- Dexter's
- Hillcrest Volkswagen
- O'Regan's
- Saturn of Halifax
- Steele Auto Group

The van is used to pick up food and clothing for distribution on the Street Connection Bus.

As we have recently witnessed, God continues to provide everything needed to continue this ministry and we are truly thankful to Him. We are also extremely grateful to everyone who has helped to make this all possible. **Thank-You!**
